CEGH GreenGas Platform:

Did you know that CEGH has already launched, as one of the first players on gas market, its CEGH GreenGas Platform?

It will be the first platform to support the decarbonization of the gas markets by trading of Green Gases and will be a marketplace for biogas supply and demand as well as for green hydrogen, once green hydrogen becomes available on the market.

If you are interested in what we created to support the change in the energy system and how you can use it, have a look on our website <u>www.cegh.at/en/greengas</u> or directly on the <u>CEGH</u> <u>GreenGas Platform</u>.
